Re: **CARES Program – Clerk of Courts Update**

The Highlands County Clerk of Courts Compliance and Internal Audit Department is focused on ensuring each CARES Grant Program approved case is reviewed efficiently, concerns are communicated to the BOCC, cases are accurate and complete and are then recommended for payment. A component of this process is ongoing monitoring of several key performance indicators (KPIs). These KPIs ensure effective and efficient tracking and management of the Clerk of Courts CARES Grant Program review and payment process. We are providing these KPIs and the attached charts to give up-to-date information regarding the Clerk of Courts ongoing role in the CARES Grant Program.

**Clerk of Courts CARES Grant Program KPIs – End of Day 11-11-2020**

	Total Applications in the BOCC Review Process	Total BOCC Approved Cases	Total Cases Reviewed by Audit	Cases Pending Audit Review
<b>Individual</b>	1,833	1,615	1,615	0
<b>Business</b>	661*	669*	669*	0
<b>Community</b>	11	11	11	0

\*Business figures for "Total BOCC Approved Cases" and "Total Cases Reviewed by Audit" are greater than "Total Applications in the BOCC Review Process" due to case status changes. There are cases that were approved by BOCC staff then the approved case status was removed and later changed back to approved or may later be denied/closed. This results in these cases being approved by the BOCC staff and reviewed by Audit twice or denied/closed cases being included in the approved and reviewed count.

	Checks Issued	Checks Pending for 11/13/2020	% of Total BOCC Approved Cases Paid/Approved for Payment	% of Reviewed Cases w/Concerns Sent to BOCC	% of Outstanding Reviewed Cases w/Concerns Sent to BOCC
<b>Individual</b>	1,495	6	92.9%	11.5%	1.7%
<b>Business</b>	615	5	92.7%	21.8%	6.7%
<b>Community</b>	11	0	100.0%	0.0%	0.0%

**KPI Notes:**

**Total Applications in the BOCC Review Process:** This includes applications that are in first review, second review, final review or approved by the BOCC staff.

**Total BOCC Approved Cases:** These are cases which have been approved by the BOCC and are the population of cases the Clerk's Internal Audit Department is reviewing and recommending for payment, or already paid.

**% of Reviewed Cases w/Concerns Sent to BOCC:** These are all cases that had a concern identified and were sent back to the BOCC point of contact for research and/or correction.

**% of Outstanding Reviewed Cases w/Concerns Sent to BOCC:** These are cases that had a concern identified and were sent back to the BOCC point of contact for research and/or correction and are still pending feedback from the BOCC staff.
